Donor Charter

Giving to Dame Allan's Schools (The School)

To ensure that the act of philanthropic giving merits the respect and trust of our alumni, friends and benefactors, we will:

- Explain how gifts help fulfil the strategic aims of the School in line with its mission and vision
- Illustrate that the School is able to fulfil the intended purpose of a gift
- Assure that donations and other charitable gifts will be used for the purposes for which they were given
- Discuss the use of donations with the donor or their representatives in the event of an urgent change in the priorities or needs of the School
- Give appropriate acknowledgement and recognition for the donor's generosity, or observe requests for anonymity when requested
- Respect donors rights to privacy and treat all personal information in compliance with all Data Protection Law , including GDPR
- Provide prompt, truthful and forthright answers about any aspect of a donor's gift
- If requested provide a copy of our most recent financial statements and/or annual report
- If requested provide membership details of the governing board
